

We'll keep our Judeo-Christian values.. You are welcome to Islam, Scientology, Humanism and Shirley McClain. You can also have the U.N.. but we will no longer be paying the bill.

We'll keep the SUVs, pickup trucks and oversized luxury cars. You can take every Subaru station wagon you can find.

You can give everyone healthcare if you can find any practicing doctors. We'll continue to believe healthcare is a luxury and not a right. We'll keep The Battle Hymn of the Republic and the National Anthem. I'm sure you'll be happy to substitute Imagine, I'd Like to Teach the World to Sing, Kum Ba Ya or We Are the World.

We'll practice trickle down economics and you can give trickle up poverty your best shot.

Since it often so offends you, we'll keep our history, our name and our flag.

Would you agree to this? If so, please pass it along to other like minded liberal and conservative patriots and if you do not agree, just hit delete. In the spirit of friendly parting, I'll bet you ANWAR which one of us will need whose help in 15 years.

Sincerely, John J. Wall Law Student and an American P.S. Also, please take Barbara Streisand & Jane Fonda with you.
